

KALLIPOLIS GROTTTO TO HAVE CEREMONIAL

Will Exemplify Ritual on February 28—Drill Team to Be Formed.

Kallipolis Grotto will exemplify its ritual at Odd Fellows Hall on February 28, according to announcement by Monarch George H. Emerson, Jr., today. The ceremonial announced for Alexandria this month has been postponed until March.

Prophet P. V. Keating, who is organizing a drill team, has called a meeting for February 15, at the residence of Past Monarch Edward S. Schmitt, 712 Twelfth street northwest, to which are invited all prophets interested in the movement. A number of prophets have such teams and an effort will be made to have an effective one in Kallipolis Grotto.

Prophet Charles A. Stevens, president of the Kallipolis Grotto Odd Fellows Club, has invited all members of the grotto to attend the social meetings of the club, held each Wednesday evening.

Past Monarch H. B. Rieck has been advanced to high priest of Mt. Horeb chapter, No. 7, R. A. M. At the same meeting Past Monarch E. W. Libbey was elected royal arch captain.

The grotto has elected the following officers for the coming year: Lecturer, Frank Julian Hammer; president, Samuel F. Shreve; vice president, W. W. Palmer; recording secretary, Philip Kachmann; financial secretary, William J. Norbeck; treasurer, J. A. Hermonson.

The bond is making preparations for an oyster supper and dance to be given early in March.

THE BALD SPOT THAT WOULDN'T COME OFF

IT WAS WAR TO THE FINISH

If you find dandruff on your coat collar it's simply Nature's danger signal of coming baldness. Soon it will be too late, and "the bald spot that won't come off" will make its appearance.

Avoid the use of coconut oil or preparations containing alkalis. Soaps and other alkalis foam, so be on your guard, as they tend to dry the scalp. Go to O'Donnell's Drug Store, 904 F street, and ask for a 50c bottle of Speiser's Scalp Tonic. Use it according to directions and in a reasonable time dandruff, falling hair and scalp irritation will disappear and the natural growth of the hair will be promoted. Mr. O'Donnell is so confident of the merits of this preparation that he offers to return your money if it fails.—Advt.

OLD-TIME COLD CURE—DRINK TEA!

Get a small package of Hamburg Brewster Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve, and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieves congestion, also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.—Advt.
